

The Quality Policy and Objectives

It is Advanced Plastics Ltd's objective to become and remain the preferred source of plastic injection moulded components and assemblies for our customers by providing them with a superior manufacturing service in both product quality and delivery.

To achieve this we are committed to:

Customer Satisfaction

- Providing our customers with products and services that meet or exceed their requirements.

Continual Improvement

- Measurable improvement of the effectiveness of our business and its management/operating systems.

Employees

- Providing training to employees to promote Continual Improvement.
- Empowering our employees to use their skills and talents to achieve the quality policy and business plan objectives.

Management System

- Maintaining a management system compliant to ISO/TS 16949 and ISO 9001.
- Reviewing our management system on continual basis for robustness.
- Setting and reviewing performance objectives to meet our business goals.

Environment

- Maintaining operations that protect the environment and natural resources of our communities and our nation.
(See Also Environmental Policy).

Safety

- Providing a safe work environment for our employees and visitors.
- Supply products that are fit for purpose & safe to use.
